The United Chinese Society of Hawaii (UCS) is the foremost Chinese organization in Hawaii representing over one hundred Chinese member societies, clubs, and organizations. It is a non-profit organization incorporated under the laws of the State of Hawaii and the United States of America, whose primary purpose is to provide community service for the general health and welfare of the citizens and to promote friendly relations among the Chinese in Hawaii, the United States of America, and internationally. UCS was established in 1884 under the reign of King David Kalakaua of the Kingdom of Hawaii, celebrating its 137th anniversary in 2021.

We are located in Chinatown, and we welcome all to visit our office or to contact us if you should be in need of any assistance or information about the local Chinese community and its many organizations. Please call us any time to schedule an appointment.

We are proud of our 137-year history in Hawaii. UCS is a 501(c)(3) charitable non-profit organization, committed to improving and enriching the quality of life for the people of Hawaii.

2020 United Chinese Society of Hawaii Board of Trustees

夏威夷中華總會館 理事合影

Thank you to those that served on the 2020 Board of Trustees. Although it was definitely an unusual year where most of the annual events were unfortunately cancelled, the trustees were more than willing to step-up when needed. Your commitment to the United Chinese Society of Hawaii is greatly appreciated.

This directory of Chinese organizations in the State of Hawaii is compiled and updated annually by the United Chinese Society of Hawaii (UCS) as a service to the community.

Requests for updates were emailed to societies that have an email address on file with a December 18th deadline. Thank you to all for your timely responses!

Please use the form included in this directory if there are corrections to the organization's directory listing. UCS does its best to input submitted data accurately. We apologize if there was an input error. Please understand that it was not intentional.

We will be sure to update the organization's information the next time this directory is published.

For 2021, we made the conscious decision to not solicit Red Book advertisement donations to offset the printing costs as we know many of our member societies were unable to have activities. We included HomeStreet Bank as a gratitude acknowledgement for its support throughout this pandemic year. Thank you to the member societies and members who supported the UCS Red Book in the past. We look forward to your continued support in future Red Books.

The United Chinese Society of Hawaii looks forward to continuing to work with and support the member societies, strengthening our relationship in Hawaii's Chinese community, building lifelong friendships. Please continue to stay healthy and safe!

2020 United Chinese Society of Hawaii New Year's Tea Reception

夏威夷中華總會館 新年茶會

1/5/2020 @ UCS Hall

Thank you to the member societies and organizations for the continued support of the United Chinese Society of Hawaii in 2020. We missed the opportunity to fellowship and gather as the well-being and safety of our members and member societies were of the utmost importance.

Please continue to stay healthy and safe!

UCS is looking forward to 2021 -

Year of the Ox!

2020 Highlights

The United Chinese Society of Hawaii (UCS) celebrated the start of 2020 with the Annual Tea Reception. President Theodore “Teddy” Chong and the UCS trustees welcomed special guests and member society presidents as we celebrated the new year, but as we all know, everything in Hawaii came to halt in March as COVID-19 hit our state and country!

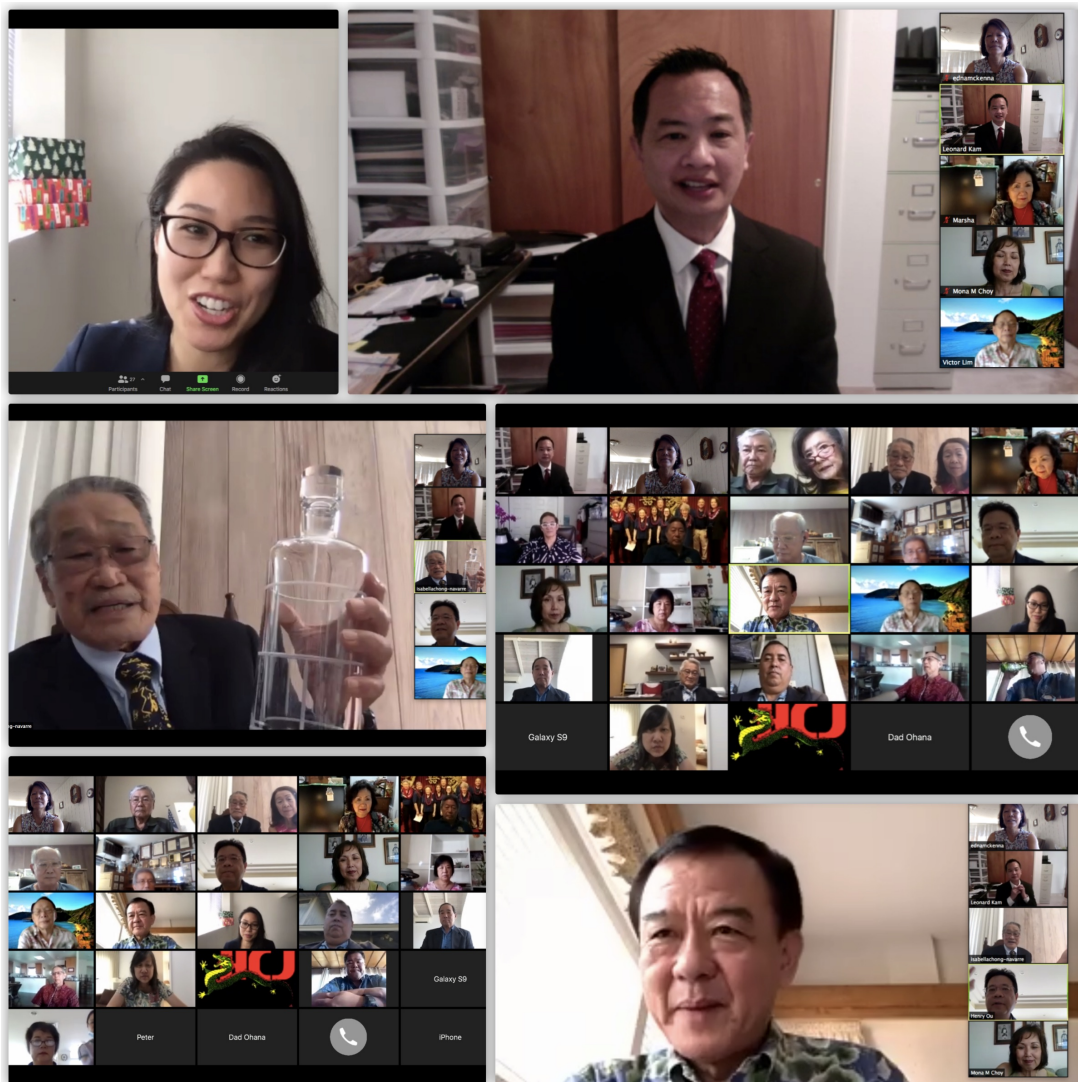

The pandemic did not completely hold us back as UCS found ways to support Oahu's frontline workers as well as our member societies. In May, with the generous donations of our members and member societies, UCS made monetary contributions and provided dim sum lunch boxes to each of the three hospitals that serve the Chinatown community: Queens Medical Center, Kuakini Medical Center, and Straub Medical Center.

UCS trustees also handed out approximately 5,000 masks that were generously donated from Zhongshan Overseas China Commercial Association to member societies and organizations. We are truly grateful for the opportunity to help those in our community.

Sign of the Times

Honolulu's COVID-19 Recovery Framework tiers did not prevent the United Chinese Society of Hawaii from installing its 2021 Officers and Trustees. 2021 President Leonard Kam coordinated this effort by hosting the “virtual installation” on Zoom, inviting member society presidents to attend. Secretary Ivy Yeung was the mistress of ceremonies, introducing TECO Michael Tseng to share a supportive and uplifting message. Leonard Kam presented Outgoing President Teddy Chong with an appreciation gift. Finally, Honorable Judge Karl K. Sakamoto (ret.) performed the installation ceremony of the 2021 Officers and Trustees. It was a memorable and history making afternoon!

2021 Calendar of Events

The United Chinese Society of Hawaii's officers met and decided that due to the uncertainty of the COVID-19 pandemic in 2021, the society will have to modify its regularly scheduled annual events. Of course it is our hope that with the vaccinations, it will eventually be safer to meet, but for now, the health and safety of our members are of the utmost importance.

Listed below is a list of important Chinese dates. For updated announcements and information, please visit the website: www.ucsofhawaii.com

If you need our assistance, do hesitate to leave a message at the office: 536-4621, or contact us via email: ucsofhi@gmail.com

Thank you in advance for your understanding. Please continue to stay healthy and safe.
